

ELECTROLYTES

1Equine Electrolytes is a premium supplement complemented with B-complex vitamins and essential minerals to aid in replenishing electrolytes lost in sweat during periods of physical exertion, high temperatures or nervousness. With the addition of sodium, potassium and magnesium in the appropriate ratios, Electrolytes offers the best solution for fast and effective hydration.

| UNIT SIZE | RRP | DOSE | FEEDS PER UNIT | COST PER FEED |
|-----------|----------|------|----------------|---------------|
| 3 kg | \$52.99 | 30 g | 100 | \$0.53 |
| 15 kg | \$187.49 | 30 g | 666 | \$0.28 |

KEY BENEFITS

FOR SWEAT LOSS

The inclusion of essential minerals helps to replenish and rebalance electrolytes lost during sweat.

B-COMPLEX VITAMINS

These water-soluble vitamins help to increase energy levels after a period of exercise.

HYDRATION

The essential minerals Chloride, Sodium, and Potassium support fluid balance within the body.
